Warm Weather is Here and YES! We Have a Dress Code

The dress code at Leonardo da Vinci eK-8 School sets a standard that is in the best interest of students and is considered appropriate for school. All students, staff, teachers, parents, and volunteers are expected to be neat, clean, and wear clothing that does not draw undue attention to the wearer. Examples are bare midriffs, short skirts/shorts, tank tops and cut offs.

Students' clothing and shoes should be appropriate for physical activities such as running, jumping, dancing, and kicking. Safety should be a factor when dressing for school.

The following apparel is not considered appropriate for students and cannot be worn at school:

- Shoes without back and toe support, or with high heels, cleats, or spikes. Examples of inappropriate shoes are platforms, flip flops, slippers, t-strap sandals, clogs, and "jellies." Students who choose to wear "salt water" type sandals are at risk of bee stings and stubbed toes.
- Bare midriff, t-strap, see-through material, spaghetti-strap tank tops, low scoop neck, deep 'v', or tank tops with straps that are less than one inch wide. Shirts meant as underwear that are thin, revealing, or see-through. Muscle shirts with low cut armholes. Undergarments may not show.
- Cutoffs, pajama pants, baggy clothes (more than one size larger), or saggy pants (not belted at the waist).
- Short shorts, skorts, or skirts - the test for required length of shorts, skorts, and skirts is to stand and extend the arms straight down at the side. **The garment must be longer than where the fingertips touch.**
- Shirts or jackets with inappropriate slogans: beer, cigarettes, insults, money, or promoting a negative or illegal lifestyle, etc.
- Headgear of any kind in the classroom. Hats may be worn outside only to shade the face/eyes.

The best advice is that if you are unsure whether the item of clothing will comply with the dress code, then it is best to wear something else. When students violate the dress code, parents will be notified and students will be sent home until they are dressed appropriately for school. If a student continually violates the dress code, he/she will serve detention and receive appropriate behavioral consequences. Parents will be notified in the event that the dress code is altered.

Thank you for your cooperation, and your good example of appropriate dress for our students!

Word of the Week

While many children look up to professional athletes, they are not always the best examples. In fact, the news is often full of bad examples of sportsmanship. A better place to look for role models is at home or in the community. When hometown heroes like parents, teachers, and coaches encourage FAIR PLAY (our character education word of the week), everyone benefits.

Fair play can be encouraged in all children's play, from sports to board games. You can encourage fair play by discussing with your child noteworthy examples of sportsmanship found in the news.

"Sports do not build character. They reveal it." —Heywood Brown

From the SCL (School Community Liaison)

Badges: Every parent on campus must sign in to the main office. If you are working anywhere on campus get a "Volunteer" badge and sign in the Volunteer book. If you are visiting a classroom, please sign in the book under Mona Lisa and wear a "Visitor" badge. Please sign out in the appropriate book before leaving. These precautions are for the safety of everyone on campus.

Tally Sheets: March tally sheets are due! Please turn it into your child's class or to the Volunteer Office. Tally sheets are available in the front office and on the LdV website.

Updates: Check those backpacks for updates that went home 2 weeks ago...

Carry Over Hours: Hours from 2014-15 will only be carried over to next year if they were worked AFTER May 15, 2015 (and turned in). Thank you to every parent who works over their required hours (most of you). Our program shines because of you!

TB test results and Sex Offender Background check clearances: Must be on file before working in the classroom. Fingerprinting must be cleared before driving on or chaperoning fieldtrips.

Feel free to stop by the garage door Mon-Fri 7:30am-3:30pm or email me at diane-soule@scusd.edu, or leave a message at 277-7034.

Please Remember

When approaching an leaving our campus...We ALL have children to drop off or pick up. We ALL have places we need to go. But the most importantly ALL of us need to be safe and courteous. Good behavior under pressure is a great lesson for the children in your car to witness.

And please do not block driveways, walk on lawns or run the stop signs in our neighborhood!

Fingerprinting Requirements

Yes, you do need to be fingerprinted to go on a field trip...whether you are driving children or not...whether you are going by bus or not. The District requires any adult who is not fingerprinted to be in sight of a certificated person at all times, but it is vital that teachers be free to watch their students, not the grown ups who are there to help. So fingerprint please!

Driving on a Field Trip?

The district requirements for insurance (when driving kids on field trips) are as follows: minimum of liability \$50,000/\$100,000 and property is minimum \$25,000.

No Free TB Testing

SCUSD no longer offers free TB screening. It is recommended you see your primary care provider, or make use of a community clinic. For your convenience, the following are resources you could use:

Rite Aide: 980 Florin Rd or 2751 Del Paso Rd. NO appointment necessary. \$20

Wellspace Health: four locations. Please call 737-5555 for details. \$16

Elica Health Center: 3701 J St, suite 201, Sacramento. Call 454-2345 for an appointment \$40.

About the Newsletter

This newsletter is provided by the LdV PTC in conjunction with the LdV School Community Liaison. Please read it weekly in order to keep up with what is happening in our community. This is where you can get ideas about where and how to participate. This is also where you can announce any school related activities by submitting a short article about the event. Please be sure to include the date, time, and a contact name and number.

Déjà Vu? If you read the newsletter weekly, some of the content may see familiar. Many parents choose to read the newsletter sporadically, and articles are run repeatedly so they can catch up. It maybe frustrating for you (and me) but read carefully since pages might seem the same but rest assured no two issues are exactly alike!

LdV on the Web & Facebook

The weekly newsletter can be found on the **LdV web site: leonardodavincischool.org.**

You may also download Tally Sheets in either Word or Excel. The files can be completed and emailed to diane-soule@scusd.edu. When you email a tally you will receive a reply. If you do not receive a reply it means your email was not received.

Like us on Facebook and stay up to date on LdV events! <https://www.facebook.com/LeonardodaVinciK8>. Please remember the FB page is purely informational and to support our school and it's culture.

Garden Cooking Day!!
A few weeks ago we made **French crepes** in the garden inspired by LdV parent, Ellenore Bienick and her second grade twins, Daniel and Philippe. The Bienick family makes crepes almost every weekend and wanted to share their love of crepes with their LdV friends. We prepped and sampled savory and sweet crepes- they were delicious and easy to make!!

Alexis Wasilchin

French Crepes- savory or sweet
Recipe adapted from Mark Bittman

- 1 cup all-purpose flour
- pinch salt
- 1 tablespoon sugar (optional)
- 1 ¼ cups milk, plus more if needed
- 2 eggs
- 2 tablespoons canola oil, plus more to brush pan

1. Whisk together all ingredients until smooth. If the mixture isn't quite pourable, add a little more milk.
2. Put an 8 or 10 inch skillet over medium heat and wait a couple minutes: drizzle with canola and spread evenly. Stir the batter and use a large spoon or ladle to pour a couple tablespoons of the batter into the skillet. Swirl it around so that it forms a thin layer on the bottom of the pan.
3. When the top of the crepe is dry, after about a minute, turn and cook the other side for about 15 to 30 seconds. (Crepes should be brown only very slightly and not crisp at all.) Bear in mind that the first crepe almost never works.
4. Stack crepes on a plate as you make them, and keep them warm in a low oven while you make the remaining crepes. (They won't stick together)
5. Put the filling in the bottom third of the crepe and either roll the crepe starting with the end with the filling or fold the bottom third over the filling, fold in the sides. Crepes can be made ahead and refrigerated!

Here is what we sampled:

Sweet Crepe: Fresh sliced berries and whipped cream

Savory crepe: Grated cheese with sautéed kale, chard, and green onions from the garden

Bon Appetit!
