Word of the Week

When a coach wants to motivate his or her players to win a game, the coach often will talk about the importance of teamwork. While good teams are made up of many good players, teamwork is what makes great teams great. As one coach said, "There is no 'I' in the word team."

In everyday life, COOPERATION (our word of the week) is a form of teamwork that benefits everyone. In families, a little cooperation can result in fewer problems and greater satisfaction. Cooperation results when people are working for a common goal or purpose.

"Ethics will be restored when most individuals come to the realization that they play for a common team."

Unsung Heroes

Thank you to the parents who sewed Renaissance costumes for the students in room 20. They fit perfectly and the students glowed. There is no doubt you made a difference for them!

(For those of you unfamiliar with Unsung Heroes, this is where we acknowledge the parent who goes a little farther...the teacher who inspires a little more...the staff person who really shines...the student who makes a special effort. Submit your Unsung Hero's name with a brief explanation of who they are and why you chose them along with your name. If you'd like to acknowledge a job well done even if you don't know who to credit, that's okay too. Email, call or leave a note for me. —Diane Soule, Editor)

Yearbooks Are On Sale Now
See attached flyer

From the SCL (School Community Liaison)

Badges: Every parent on campus must sign in to the main office. If you are working anywhere on campus get a "Volunteer" badge and sign in the Volunteer book. If you are visiting a classroom, please sign in the book under Mona Lisa and wear a "Visitor" badge. Please sign out in the appropriate book before leaving. These precautions are for the safety of everyone on campus.

Tally Sheets: A tally sheet is in the first newsletter of the month. Extras can be found in the front office or on the school website. Please turn it into your child's class or to the Volunteer Office at the end of the month.

Carry Over Hours: Hours from 2014-15 are only carried over to this year if they were worked AFTER May 15, 2015 (and turned in). Thank you to every parent who worked over their required hours last year (most of you). Our program shines because of you!

First Day Packets: Please complete your first day packet and return them to the classroom as soon as possible. Extra forms can be found on our web site or in the front office.

TB test results and Sex Offender Background check clearances: Must be on file before working in the classroom. Fingerprinting must be cleared before driving on or chaperoning fieldtrips.

Feel free to stop by the garage door Mon-Fri 7:30am-3:30pm or email me at diane-soule@scusd.edu, or leave a message at 277-7034.

Please Remember

When approaching an leaving our campus...We ALL have children to drop off or pick up. We ALL have places we need to go. But the most importantly ALL of us need to be safe and courteous. Good behavior under pressure is a great lesson for the children in your car to witness.

And please do not block driveways, walk on lawns or run the stop signs in our neighborhood!

Fingerprinting Requirements

Yes, you do need to be fingerprinted to go on a field trip...whether you are driving children or not...whether you are going by bus or not. The District requires any adult who is not fingerprinted to be in sight of a certificated person at all times, but it is vital that teachers be free to watch their students, not the grown ups who are there to help. So fingerprint please!

Driving on a Field Trip?

The district requirements for insurance (when driving kids on field trips) are as follows: minimum of liability \$50,000/\$100,000 and property is minimum \$25,000.

No Free TB Testing

SCUSD no longer offers free TB screening. It is recommended you see your primary care provider, or make use of a community clinic. For your convenience, the following are resources you could use:

Wellspace Health: four locations. Please call 737-5555 for details. \$16

Elica Health Center: 3701 J St, suite 201, Sacramento. Please call 454-2345 to make an appointment \$40.

Several **Rite Aide** locations

CVS/pharmacy: 1350 Florin Road

About the Newsletter

This newsletter is provided by the LdV PTC in conjunction with the LdV School Community Liaison. Please read it weekly in order to keep up with what is happening in our community. This is where you can get ideas about where and how to participate. This is also where you can announce any school related activities by submitting a short article about the event. Please be sure to include the date, time, and a contact name and number.

Déja Vu?

If you read the newsletter weekly, some of the content may see familiar. Many parents choose to read the newsletter sporadically, and articles are run repeatedly so they can catch up. It may be frustrating for you (and me) but read carefully since pages might seem the same but rest assured no two issues are exactly alike!

LdV on the Web & Facebook

The weekly newsletter (without additional flyers) can be found on the **LdV web site:** leonardodavincischool.org.

You may also download Tally Sheets in either Word or Excel. The files can be completed and emailed to diane-soule@scusd.edu. When you email a tally you will receive a reply. If you do not receive a reply it means your email was not received.

Like Us on Facebook and stay up to date on LdV events! <https://www.facebook.com/LeonardodaVinciK8>

Please Remember the FB page is purely informational and to support our school and it's culture. Please "like" us if you would like news about LdV, meeting reminders, and event updates.

Some Bunny Loves Chocolate!

Do you have a few too many treats at your house? Drop off any extras in the front office to share with LdV staff. Your donation of seasonal candy is very appreciated. Drop off in Diane's office please! Thank you!

E not O

Please note: the correct email to use to report absences is chereese-conner@scusd.edu

Know a Great Way to Earn Hours and Have Fun?

Did you know that attending a LdV sporting event (volleyball, soccer, basketball) counts for Parent Volunteer Hours? Every adult who shows team spirit and is a shining example of good sportsmanship is an asset to our teams.

Uncleared Absences

Not calling or emailing to report your child's absence from school results in unexcused absences which are considered trancies. There is only so much time within which these trancies can be cleared or they remain on your child's permanent record. Email chereese-conner@scusd.edu each day of your child's absence.

Go off the plate!

Generally, the plate diagram above provides fantastic advice on how to fill your plate. But can you name one of the best things you can eat or drink that isn't even on the plate? Give up? **IT'S WATER!** Kids should try to drink about 6 to 8-ounce servings of water a day. Try having water instead of soda or other high-calorie, low-nutrition drinks as often as possible!

OUR NATION'S HISTORY

Memorial Day originated in the years after the Civil War to remember and honor those who had died in service to our country. At first, Memorial Day was called "Decoration Day" - literally, a day that was set aside to beautify the final resting places of our honored dead. This year, while you're enjoying your day off, please don't forget to honor them in your heart, too!

HoneyCODE

FULL S.T.E.A.M. AHEAD!

Science, Technology, Engineering, Art, Math

While "STEAM" is a relatively new buzz-word, you can easily see why it's gained so much popularity over the last few years. An emphasis on STEAM related activities, means that we want our children to have access to **inquiry-based education**; the type of learning that can help these children imagine themselves working in fields like Science, Technology, Engineering, Art and Math. **Dream Enrichment Classes** has been pushing hard for STEAM education, long before it became a hip buzz-word. For over ten years, we've been at the forefront of supplemental education in our community. Whether your child has a budding interest in engineering, an obsession with drawing, or is just starting their journey toward finding their passion, **we have a camp for that!**

CAMP HOURS: 9 AM - 2 PM

What to Bring: Dream Enrichment will provide all camp supplies. All you will need to provide is a water bottle, lunch and a snack.

Age Requirements: Early Engineers and Firefly Art camps are open to students grades K-6. Must be age 5 at time of camp. In most cases, students will be grouped at camp into grades K-2 and 3-6. Honeycode camps are open to elementary students entering grades 1st-6th.

Our certified instructors will provide all artist-quality supplies and take care of the clean up too! Ready to create messy mixed-media projects like shaving cream-paint zebras, swinging chimpanzees, and clay polar bears? **Sign up today, it's just about time to break out the paint!**

BONUS!

Be sure to sign up for the five-day option!

Full week campers will get to meet animals visiting from the **Sacramento & Folsom Zoo!**

Art Sneak Peeks

Mixed Media Monkeys

These playful monkeys actually move! Artists will use pipe-cleaners and watercolor pencils, and then rearrange their whole primate family to play and swing on jungle vines!

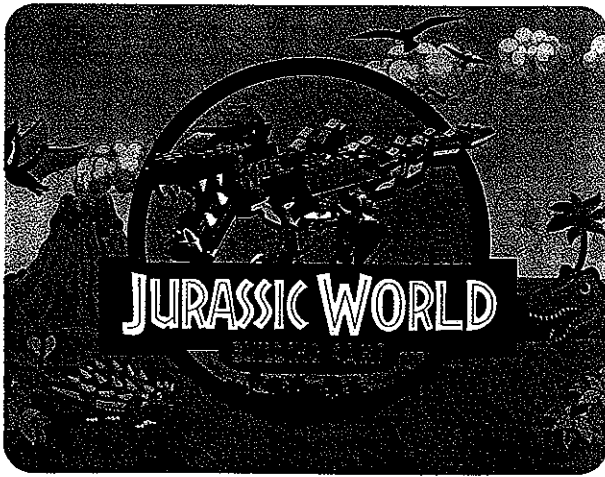

Clay Polar Bear

This precious polar bear cub will test students' sculpting skills: artists will learn how to make a basic frame and practice shaping three dimensional forms to make this little ball of fun!

Koala Painted Tote Bag

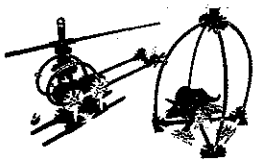

This painted tote-bag is made in tribute to the art of the ancient Australian aborigines, who drew images of wildlife, based on stories of the mythological "Dreamtime" period in which the world was created.

A Dino-sized Summer Camp Adventure!

This summer, Early Engineers explores exciting possibilities by digging deep into the world of dinosaurs! Using LEGOs, K'nex and more, campers will engage in research, development and building challenges that teach fundamental science concepts and the science of paleontology. In addition to building theme park rides, we'll also excavate and rebuild dinosaur skeletons. All our hard work and research will be handy when we finally pull together to build a mini Dino Theme Park! At our end of week Grand Opening Ceremony, parents will be able to experience our action-packed mini park: **don't miss out!**

Building Sneak Peeks

K'NEX Winch Helicopter

Learn what a winch is and build a K'NEX Helicopter. Now you'll be able to transport dinosaurs around your park safely enclosed in a cage below the helicopter!

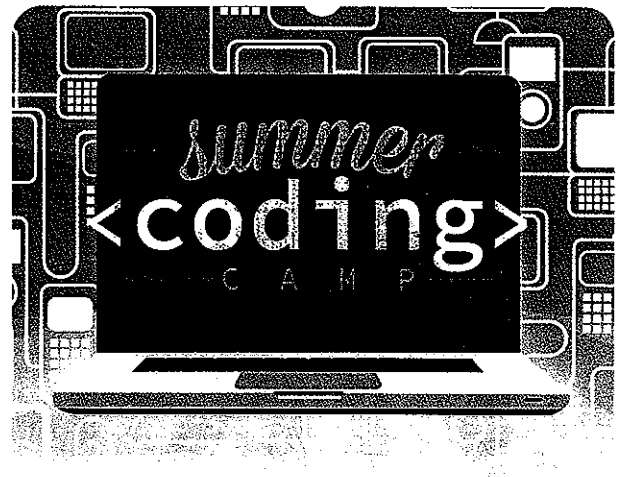

LEGO Dino Lab

No dino park is complete without a lab for creating new species of dinosaurs! Use your imagination to create the most well equipt dino lab every seen.

Dino Skeleton Excavation

We'll search through ground matter to find the pieces to your dinosaur skeleton. Once you've found all the pieces, figure out how they fit together to reassemble a dinosaur!

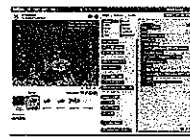

An Introduction to Coding!

Honey Code Jr. is designed specifically for kids entering 1st - 2nd grade, so that they may gain a foundation and excitement for coding. We'll be programming robots, such as *Bee Bots* and *Dash*, as well as coding on apps, including *Kodable* and *Tynker*.

Honey Code Camp is designed for kids entering 3rd - 6th grade. Students will be using Scratch and Makey Makeys to program their own hands-on interactive game and build their controller to suit.

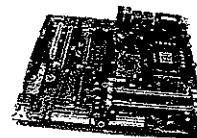

Both grade level options include unplugged coding games to strengthen their sequencing, logic, and problem solving skills. We'll also take apart computers to find out how they work!

Coding Sneak Peeks

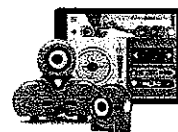

Scratch/Scratch Jr.

Students will use laptops to experience Scratch and Scratch Jr., where they will program their own interactive stories, games, and animations.

Reverse Engineering

How does a computer work? The best place to start is by taking apart a computer and figuring out what pieces are inside and how they are connected.

Dash Robot

Dash is a robot that can respond to voice, navigate around objects, and even dance, and sing. We'll be learning apps that program and create new behaviors for Dash.

Deje su nombre, el nombre de su hijo/a, el número del salón, el día de ausencia o retraso, y la razón ("está enfermo/a", "tiene una cita con el doctor", "tiene un funeral familiar", etcetera es suficiente). Le pedimos que llame antes de las 11:00 de la mañana para evitar una ausencia sin excusa.

Students are allowed 10 excused (illness with a parent's excuse, death in immediate family, child's appearance in court) absences per the year. Each additional absence from illness must have a doctor's note to be cleared.

Bring a Doctor's Note - If your child misses school for a visit to the Doctor or Dentist, please bring a school excuse note for their attendance. It does make a difference on a student's attendance report. The attendance code for a Doctor's visit is "M" which is unlimited and without the doctor's note it is an "A". All students get 10 health absences "A" for the year, after that a doctor's note is required.

Leave a Reason - We are asking that you email you child's absence report to chereese-conner@scusd.edu as early as possible (before 10 a.m.). Please use "attendance" in the subject line and include the child's name, teacher, room number and the date of illness and/or tardy, and the reason. The reason is very important but does not need to be detailed; a simple "She/he is sick today" will suffice. You will receive a confirmation email. Many parents report absences stating their child will be absent, but do not state the "REASON" please remember to so.

Did You Know... When your child has chicken pox, a skin rash, lice or other infectious health challenges you need to follow up with the main office when your child returns to campus. A doctor's note that the child has been treated and is okay to be back among our other students after a rash or chicken pox is required by SCUSD health services.

Late to School? Students who are over 30 minutes tardy must be accompanied to the main office by their parent or guardian to obtain a tardy slip. All tardies over 30 minutes must have an official doctors note. Three tardies over 30 minutes without such documentation will result in a truancy notice.

Check Your Child's Schedule

The lunch and recess schedules for all grade levels are readily available on the school website (leonardodavincischool.org). If you are picking your child up for an appointment, or bringing a lunch they left behind, it is easier and quicker to find them in class than on the playground. Please consider timing your trip around your child's schedule. Thank you.

Please Bring Your ID

If you are taking your child for early dismissal or are sending someone from your emergency card list, please note ID will be required. It is school policy to show proper ID before a student is released. It is for the safety of your child, please do not grouse at the staff who are keeping our children safe!

Badges: Every parent on campus must sign in to the main office. If you are working anywhere on campus get a "Volunteer" badge and sign in the Volunteer book. If you are visiting a classroom, please sign in the book under Mona Lisa and wear a "Visitor" badge. Please sign out in the appropriate book before leaving. These precautions are for the safety of everyone on campus.

Medications at School

Parents need to renew their children's medication forms every year. If your child had medication administered by school staff last year, you need to submit a new form this year. You will also need to bring in new medication for this year. Health Services disposes of all unused medication at the end of each year.

Allergy Alert

For the safety and consideration of our students with severe nut allergies we are striving to become a "nut free campus." Thank you for your support of our efforts.

Fingerprinting Requirements: Yes, you do need to be fingerprinted to go on a field trip...whether you are driving children or not. The District requires any adult who is not fingerprinted to be in sight of a certificated person at all times, but it is vital that teachers be free to watch their students, not the grown ups who are there to help. So fingerprint please!

Pick up & Drop Off

What Time Does Your Child Get to School? School begins at 9 am. Unless your child attends a before school class or breakfast, our campus is not open until 8:30 am. Please do not leave children without adult supervision before 8:30 am.

Where Do You Drop Off? If you are dropping off in the back parking lot, are you stopping at the gate openings with your car and blocking the entrance for others (children and parents) who are walking into school? Please pay attention to where you stop, and especially as you pull away. Lots of humans use the parking lot and appreciate your full attention!

Please do not allow your children to walk through our parking lots! Small unaccompanied children are hard to see.

How Do You Get Here? If you are driving your children to school and come in from Freeport Blvd, do you know you are supposed to take a quick right and come to the school on Shielah Way, enter through the back gate and then drive away on Stacia Way. This keeps the traffic flowing and is easier on our neighbors. Thank you for going with the flow!

Notice of Pesticide/Herbicide Use

LdV is scheduled for service by SCUSD's Small Grass Crew weekly. The crew may or may not spray every Wednesday. If they do spray, they will post notice in the front lower window of the front door. A copy of SCUSD's Pest Management Program listing all chemicals applied to all sites is available in the front office.

Your Family Pet Belongs at Home

LdV is a pet free campus. For the safety (and cleanliness) of our community please leave any size pets at home (unless okayed by teacher for sharing). Thank you.
