About the Newsletter

This newsletter is provided by the LdV PTC in conjunction with the LdV School Community Liaison. Please read it weekly in order to keep up with what is happening in our community. This is where you can get ideas about where and how to participate. This is also where you can announce any school related activities by submitting a short article about the event. Please be sure to include the date, time, and a contact name and number.

Déjà Vu? If you read the newsletter weekly, some of the content may see familiar. Many parents choose to read the newsletter sporadically, and articles are run repeatedly so they can catch up. It maybe frustrating for you (and me) but read carefully since pages might seem the same but rest assured no two issues are exactly alike!

LdV on the Web & Facebook

The weekly newsletter can be found on the LdV web site: leonardodavincischool.org.

You may also download Tally Sheets in either Word or Excel. The files can be completed and emailed to diane-soule@scusd.edu. When you email a tally you will receive a reply. If you do not receive a reply it means your email was not received.

Like us on Facebook and stay up to date on LdV events! <https://www.facebook.com/LeonardodaVinciK8>. Please remember the FB page is purely informational and to support our school and it's culture.

Free E-Waste Pick Up

Schedule your FREE pick up by visiting www.eWaste4good.com Fill in your contact information and within a few days a dispatcher will contact you to schedule an at home or office pick up date. Your electronics will be picked up, recycled and the proceeds will be donated to LdV. You can also call for pick up at 800-317-3112

Items that can be picked up, **WORKING OR NOT!** Televisions, monitors, fax machines, desktop copiers, telephones, vacuum cleaners, keyboards, mice, networking equipment, wires and cords, household phones, medical equipment, video games, computers, calculators, cell phones, printers, scanners, laptops, power tools, small appliances, stereo systems, refrigerators, washers and dryers...and more. Word of the Week

When a coach wants to motivate his or her players to win a game, the coach often will talk about the importance of teamwork. While good teams are made up of many good players, teamwork is what makes great teams great. As one coach said, "There is no 'I' in the word team."

In everyday life, COOPERATION (our word of the week) is a form of teamwork that benefits everyone. In families, a little cooperation can result in fewer problems and greater satisfaction. Cooperation results when people are working for a common goal or purpose.

"Ethics will be restored when most individuals come to the realization that they play for a common team."

—Lester C. Thurow
