

Leonardo da Vinci School
2020-2021 Theme: You can count on me. We can count on each other.

Sept. 8: First Day Packets may be dropped off between 1-5:00PM

Welcome Families and Students,

There was no way to predict that when we closed our school doors on March 12, 2020 that they would be closed *physically* on Sept. 3. The school building may look sealed down, quiet, and with lonely weeds rolling about the front entry. The two glass and silver doors being closed is superficial. *School is opening on September 3, 2020 in a manner we never thought imaginable.* In reality, the teachers and staff have been working hard to prepare for their new students from the inside out. We have practiced and trained on engagement strategies during our LdV Distance Instruction and Learning. We listened over the summer during our School Board Listening Campaign, our PTC Meetings, and School Site Council Meeting. We had numerous one-on-one conversations with families. We read the district survey results. Our teachers have had access to training on interactive instructional practices, Universal Design, Social Emotional Learning, and leading through action as we continue our on-going anti-racist commitment to all our students. The teachers, teaching teams, and entire school is ready to kick off our 2020 school year as we reopen school and support the education of every one of our students. Congratulations to our students and families who supported summer school at LdV. We are already making significant strides towards grade level proficiency for all. We are passionate and tireless about educating our students!

In the first day packet, please fill out your forms and return by Sept. 8 between 1-5:00PM. For families who missed material pick up times, materials may be picked up and forms may be completed on site. This will be a drive through drop off. Masks and safe practices will be demonstrated, please.

Enclosed in the packet you will find:

2020-2021 Class Meeting Schedule, PTC, SSC, ELAC, whole Child Wellness, Principal Coffee Chats, Parent Support With Distance Learning. The zoom codes are established for the schoolwide meetings. Teachers will send out separate zoom codes for the class meetings. For Class meetings we expect to have 100% of our students supported by having a parent or guardian in attendance.

Voluntary Class Contributions- we are asking for a \$25.00 voluntary contribution for each student to support student supplies and needs for the fall of 2020-2021. We recognize the hardships COVID19 has caused our families. On Sept. 8, we can accept checks with your student's name and teacher name in the memo line, please. This is voluntary and allows basic skills to transform to excellence. We thank you!

PTC will have an annual membership drive and Make Mona Smile campaign. We will be greatly reducing all fundraising. In the First Day Packets are forms on how to support the many committees and services that PTC supports to enrich the lives of our students. Please join our insightful parent leaders and/or dedicated committees.

Lunch forms and menus are included in your packet.

How to Update your information in Infinite Campus form is enclosed. This is a critical year when texting and emails will be utilized in our communication.

TDAP: all 7th graders must submit proof of TDAP prior to school beginning. Please send it to donna-roots@scusd.edu. This is required for enrollment and class attendance.

Technology support: Parent Tutorials led by the District are available on the SCUSD website. Find easy to use resources on clever, Google classroom, Zoom, and Infinite Campus. With practice and patience, you will learn how to access these platforms. Your child's teacher can support you. We have LdV "Parent Support With Distance Learning Meetings" at 9:15 via zoom for 9/14, 9/21, /9/28. Zoom ID: 88982027190 and password: parents

Attendance will be critical and we have a Leonardo da Vinci Response to Intervention Plan that includes: emailing, calling, and setting up attendance focus meetings for students who are consistently attending school. We are thankful to our parents for supporting attendance with routines for sleep, breakfast, incentivizing expected participation, and well-lit work stations so students are ready to learn.

Volunteers! We need our parent volunteers more than ever. The classroom teachers will be seeking parent class treasurers, class managers, zoom center helpers', etc. To volunteer you must have a TB test submitted to the main office and you must have cleared a background check (free- form enclosed).

Communication, feedback, and progress monitoring were the focus areas of our summer planning (based on our knowledge and parent feedback). Your child's teacher will send out a draft of the start of school schedule, weekly schedules, zoom codes for the fall, how parents get information about assignments on google classroom, feedback and progress monitoring. The schedule allows for small groups and some one on one interventions. Please be prepared to check google classroom daily and you will receive progress information, weekly.

Communication with teachers: please email your student's teacher directly if you have questions. Unprofessional group emails or emails disclosing personal information about one's own child to the parent group does not build a productive and caring class community. You can send communication around your work hours to the teacher but please give the teacher ample time to respond. Teachers cannot respond during evenings and weekends. Our teachers are known to go above and beyond.

We will send a weekly school letter from the school and Ms. Ballard, our Assistant Principal and our Leadership Team will send a weekly community building video message.

You can count on me. We can count on each other. That's our theme and song for 2020-2021. We are here from an academic and emotional realm for all our students and families. We can do this.

Go Dolphins!

Sincerely,

Devon Davis

Volunteer!

Before volunteering on campus you must have:

- **A current negative TB test result on file with the office**
- **A current, cleared SCUSD Volunteer Sex Offender Check Authorization or**
- **Fingerprints on file with SCUSD**

TB Testing can be done through your doctor or various Medical Clinics (some Rite-Aid and CVS locations offer TB testing). A PPD (intradermal) tuberculin skin test or chest X-ray are the only acceptable methods permitted. The doctor's report must certify "freedom from active tuberculosis". TB tests are "good" (kept on file) for four years, chest X-rays for eight. All TB tests are a two-step process, administered one day and then read two days later. **The district NO LONGER provides free TB screenings.**

Sex Offender Background Checks must be done every school year. Turn your completed form into the School Community Liaison, or with your first day packet. There is no charge for Sex Offender Background Checks. SCUSD may soon be requiring every volunteer to be fingerprinted.

If you have fingerprints on file with SCUSD you do not need to return this form. If you have been an active fingerprinted volunteer in the district and are NEW to LdV, contact the SCL so that your clearances can be requested from your last volunteer school.

Fingerprinting* must be done at the Serna Center. Fingerprinting hours are Monday through Friday, 8 am – 11:30 & 1 - 5 pm. You must have a completed *SCUSD Volunteer Fingerprinting/Background Check Authorization* form with you. The charge for fingerprinting is \$47. Payment can be made with exact cash (no change is available), credit card, check or money order. Fingerprints are "good" for the duration of volunteering in the district. Call the Fingerprinting Office at 643-7449 with any questions.

Volunteer Training before using machines on campus, stop by Diane's office to learn where they are and what they do.

Questions about volunteering or the Leonardo da Vinci Community can be directed to Diane Soule, the School Community Liaison at diane-soule@scusd.edu, 395-4638, or stop by her office located in the volunteer room (front office).

Directions to the Serna Center from LdV

LdV PTC (Parent Teacher Council)

Welcomes You to Leonardo da Vinci School

What is the PTC?

We are a Parent Teacher Council that supports programs that will enrich the experiences of our children both in and beyond the classroom. We are made up of an Executive Board of 11 elected members and 7 standing committees.

Who can join? You!

Membership to the PTC is open to any parent or guardian of a child currently enrolled and attending Leonardo da Vinci Elementary school.

What are the benefits of membership?

Each member, in good standing, of the PTC shall be entitled to one vote in elections, bylaw amendments and actions taken at general meetings. They may also submit nominations and run for PTC offices. Membership in good standing requires payment of the yearly dues, and yearly membership dues are \$10 for an individual and \$15 for two people/family

When does the PTC meet?

The Parent Teacher Council (PTC) meets the 1st Wednesday of the month at 6:30 pm in the school library.

What programs does the PTC support?

The PTC financially supports many enrichment programs for our students throughout the year.

Here are a just a few of the many programs the PTC financially supports throughout the year: Blues Band, Classroom Startup Funds, Speech & Debate, MESA, SLATE, Leadership enrichment, Artist in Residence, Art Studio, Renaissance Faire, Author's Visits, Learning Garden, Learning Garden cooking, Math Festival, Middle School Drama Program, Nature Bowl, Robotics Club, Science Assemblies, Science Fair, Solar Regatta, Buildings and Grounds, Culturally Inclusive Assemblies, Dr. Seuss Day, Field Day, Historian, Morning Sing, field maintenance, ½ of sports registrations for basketball, golf, soccer, volleyball and many, many other programs.

In total, the PTC spends around \$50,000 a year to support our mission!

Where does the PTC get those funds?

The Parent Teacher Council has 3 major fundraisers in which LdV families participate to raise the bulk of our yearly budget. We have a Fireworks booth in the summer, and in the fall a magazine fundraiser and an annual fund called Make Mona Smile. When well supported by the LdV community, we can raise around \$28,000. The rest of the funds come from small fundraisers throughout the year.

How can I get involved?

There are many ways you can get involved in supporting the mission of the PTC.

1. Become your classroom PTC representative: you will attend each monthly meeting and then report back to your classroom at each class meeting.
2. Attend PTC meetings each month-a great way to hear about what is, was and will be going on at the school.
3. Join a standing committee: a great way to focus your energy on one of the activities we have at the school.
4. Participate in school wide fundraisers: remember the money raised goes directly to support all the wonderful enrichment activities we have available at this school.

Please feel free to contact me if you have any questions, concerns, or would like to get involved with the PTC.

Hope to see you at the first PTC meeting in September!

PTC President

Parent Teacher Council (PTC)

Membership Registration & Dues

The LdV PTC was organized to provide an open forum for the school community to discuss issues, exchange ideas, and help provide solutions to issues affecting the community with the goal of maintaining LdV's high quality Integrated Thematic Instruction (ITI) program emphasizing arts and sciences. Academic enrichment, special programs and other activities are funded by the PTC and provided through the efforts of five standing PTC committees: Arts, Science & Technology, Culturally Inclusive Education (CIE), School Climate, and Buildings & Grounds.

While you do not need to be a member to attend monthly PTC meetings, we would like to have everyone in the LdV community be part of the decision-making and voting process of the PTC. Your paid membership will guarantee your place as well as include you on an email distribution list for announcements and current event notices.

Make Mona Smile!

Supporting the ITI Curriculum at LdV

Greetings LdV families and friends! Welcome to LdV's 30th year and definitely one that we won't forget! The LdV PTC provides the crucial support our award-winning curriculum depends on in order to provide all of our students with the best possible education.

Most years PTC is fundraising to support classroom lessons, art and garden supplies, music performances and special assemblies, science and cultural exhibits, history fairs, tech, sports equipment, and campus beautification. **While we are not returning to campus this fall, PTC still plans to fund as many of the above activities as possible for virtual participation as well as providing increased academic support to make distance learning successful for all students.** For 2020-2021, the LdV PTC Executive Board has established a budget of over \$50,000.

Historically we've raised more than 50% of our budget from fundraising activities in addition to this direct appeal but **we know distance learning and being off campus will limit our normal fundraising activities.** This makes Make Mona Smile one of the most important requests we make this year! Please consider supporting these activities.
"Make Mona Smile" is published by the Ways & Means Committee of the LdV PTC.

Thank you! Thank you! Thank you! Thank you!

LdV PTC (Parent Teacher Council)

Welcomes You to Leonardo da Vinci School

What is the PTC?

We are a Parent Teacher Council that supports programs that will enrich the experiences of our children both in and beyond the classroom. We are made up of an Executive Board of 11 elected members and 7 standing committees.

Who can join? You!

Membership to the PTC is open to any parent or guardian of a child currently enrolled and attending Leonardo da Vinci Elementary school.

What are the benefits of membership?

Each member, in good standing, of the PTC shall be entitled to one vote in elections, bylaw amendments and actions taken at general meetings. They may also submit nominations and run for PTC offices. Membership in good standing requires payment of the yearly dues, and yearly membership dues are \$10 for an individual and \$15 for two people/family

When does the PTC meet?

The Parent Teacher Council (PTC) meets the 1st Wednesday of the month at 6:30 pm in the school library.

What programs does the PTC support?

The PTC financially supports many enrichment programs for our students throughout the year.

Here are a just a few of the many programs the PTC financially supports throughout the year: Blues Band, Classroom Startup Funds, Speech & Debate, MESA, SLATE, Leadership enrichment, Artist in Residence, Art Studio, Renaissance Faire, Author's Visits, Learning Garden, Learning Garden cooking, Math Festival, Middle School Drama Program, Nature Bowl, Robotics Club, Science Assemblies, Science Fair, Solar Regatta, Buildings and Grounds, Culturally Inclusive Assemblies, Dr. Seuss Day, Field Day, Historian, Morning Sing, field maintenance, ½ of sports registrations for basketball, golf, soccer, volleyball and many, many other programs.

In total, the PTC spends around \$50,000 a year to support our mission!

Where does the PTC get those funds?

The Parent Teacher Council has 3 major fundraisers in which LdV families participate to raise the bulk of our yearly budget. We have a Fireworks booth in the summer, and in the fall a magazine fundraiser and an annual fund called Make Mona Smile. When well supported by the LdV community, we can raise around \$28,000. The rest of the funds come from small fundraisers throughout the year.

We are excited to be partnering with a fun, free, and truly easy fundraiser called **Shoparoo!**

There's no limit to how much money we can raise with Shoparoo - the more supporters, the more we will raise for our school. Schools with just 40 supporters are earning an average of \$1,000 every year. That's free, easy money that we could be fundraising too. Check out shoparoo.com to learn more about this awesome app!

Shoparoo is school fundraising made easy: the free app turns pictures of your everyday shopping receipts into cash donations and sweepstakes entries for our school! Yep, it's that simple. No more cutting labels, selling door to door, or time-consuming coordinating. All you have to do is shop as you normally do, snap pictures of your receipts with the app, and voila! Just shop, snap, earn! Questions? Learn more at Shoparoo.com

Get started today:

1. Download the free Shoparoo app from the Apple App Store or Google Play Store
2. Select our school from the list and start taking pictures of your receipts - shop anywhere, buy anything!

Thank you for your support!

Parent Teacher Council (PTC)

Membership Registration & Dues

The LdV PTC was organized to provide an open forum for the school community to discuss issues, exchange ideas, and help provide solutions to issues affecting the community with the goal of maintaining LdV's high quality Integrated Thematic Instruction (ITI) program emphasizing arts and sciences. Academic enrichment, special programs and other activities are funded by the PTC and provided through the efforts of five standing PTC committees: Arts, Science & Technology, Culturally Inclusive Education (CIE), School Climate, and Buildings & Grounds.

While you do not need to be a member to attend monthly PTC meetings, we would like to have everyone in the LdV community be part of the decision-making and voting process of the PTC. Your paid membership will guarantee your place as well as include you on an email distribution list for announcements and current event notices.
